

November 26, 2007

Dear Community Member:

We are pleased to invite you to our second Open House on the proposed second refinery for Saint John: Project Eider Rock. This Open House will be another opportunity to provide you with up-to-date information about the Project, and to receive your input.

This Open House will describe how the environmental components of the study area are being examined as part of the provincial government's environmental assessment guidelines and the federal government's environment assessment track report. These assessments include such environmental components as the study area's waterways, wetlands, and air quality. Other Project updates will also be available, such as the status of the provincial and federal environmental assessment processes.

Jacques Whitford, an independent consulting firm that is conducting the environmental assessment work on the study area, and members of the Eider Rock Team will be on hand to speak to the topics presented, answer questions, and respond to your thoughts and concerns on the Project.

The Open House details are:

**When: Friday, December 7, 10am to 8pm**

**Where: NBCC, Saint John Campus (Gymnasium) – 950 Grandview Avenue**

The draft Project Eider Rock Terms of Reference will also be available for public review at the Open House and at [www.irvingoil.com](http://www.irvingoil.com). Written comments on the Draft Terms of Reference can be submitted up until January 30<sup>th</sup> to:

Louise Steward, Permitting Manager  
Irving Oil  
P.O. Box 1421  
Saint John, NB  
E2L 4K1

or Denis Marquis, Assistant EIA Manager  
Jacques Whitford Limited  
P.O. Box 1116  
Fredericton, NB  
E3B 5C2

We're committed to keeping you well informed about Eider Rock, and incorporating your feedback into the Project as it progresses through the environmental assessments and initial design work.

If you have any questions about the Project or would like to arrange a home visit, please email our team at [elderrock@irvingoil.com](mailto:elderrock@irvingoil.com) or call Jill Johnston at 202-5483.

We look forward to seeing you at the Open House.

Sincerely,

A handwritten signature in black ink that reads "Kevin Scott". The signature is written in a cursive, slightly slanted style.

Kevin Scott  
Director of Refining Growth  
Irving Oil
