

Irving's Fuel the Care

Colouring Sheet

When children need medical care away from home, nothing makes them feel more secure than having family members close by. However, travel costs can add up. *Irving's Fuel the Care* program helps make families lives easier.

Through funding courtesy of Irving, *Fuel the Care* provides gasoline gift certificates to families driving between home and hospital for their children's medical care.

We are proud to announce that since 2002, *Fuel the Care* has helped over 10,000 Atlantic Canada and New England families.
