

Our Fuel the Care Program brings sick children and their families together, so they all feel better.

Through the IWK Health Centre in Halifax, NS, the Children's Hospital at Dartmouth-Hitchcock Medical Center (CHaD) in Lebanon, New Hampshire, the Janeway Child Health and Rehabilitation Centre in St. John's, NL and the Children's Miracle Network of Eastern Maine Healthcare (EMH) in Bangor, Maine, our Fuel the Care Program provides fuel, snacks, grocery items and meals to families who travel between home and hospital for their children's medical care.

We're proud to be doing our part to bring sick children the comfort of family.
