

## Asphalt

# Reliable supply, when you need it

As the largest supplier of asphalt in New England and Eastern Canada, we focus on building trusting relationships by providing quality products, a safe, reliable supply and responding to your needs quickly and respectfully.

### Operational excellence

- **Reliable supply** – From our state-of-the-art refinery in Saint John, NB, a dedicated fleet of truck and rail vessels deliver products when you need them, where you need them, on spec and on time.
- **Diverse network** – Choose how you would like to get your asphalt. Pick it up from one of our many locations at the rack or we can deliver it directly to you.

### The products you need

- **Quality products** – Choose from a wide variety of asphalt products including: Performance Grade, Polymer Modified, Viscosity Grades, Additised, Cutbacks, Roofing Flux and so much more.

### A team on your side

- **Customer focus** – Our commitment to you is a part of who we are as a company. Since 1924, customer focus has been one of our guiding principles.
- **People you trust** – Our responsive local team understands the market, provides technical support and is dedicated to serving you.
- **Customer support** – We have a Customer Support Team available to take care of your needs, answer questions or quickly fix issues – anything to make sure your business runs smoothly.

### A focus on quality

- **Quality focus** – We test all raw materials and finished products to ensure our customers receive high-quality, dependable products.

### Three quick questions to get us started

1. What types of asphalt have you used in the past?
2. Would you like us to deliver?
3. How can we better assist you with your asphalt needs?
