## How it all started

Our first Big Stop opened more than 30 years ago in Auld's Cove, Nova Scotia, where Canadian country music legend Hank Snow put on a concert for the Grand Opening.

Here at our Big Stops we strive to provide a warm welcome, clean washrooms and delicious, homestyle food.

Today we are proud to welcome you to our Irving Big Stops across Eastern Canada and New England. Thank you for your visit. We hope you enjoy your stay and stop by our other locations on your journey.

– Your friends at Irving Oil
