

Wholesale Ultra Low Sulfur Kerosene

Keeping your customers cozy

Products you can trust

- **The right composition –**
Heating options for customers with colder winters has never been so diverse. Our Ultra Low Sulfur Kerosene is made for the changing New England seasons - keeping your customers warm and cozy throughout the year.
- **Up to standard –**
You can rest easy knowing our product meets or exceeds all legislated standards.

Operational excellence

- **Reliable supply –**
In addition to ultra low sulfur kerosene, we can provide you with a reliable supply of other products from our state-of-the-art refinery in nearby Saint John, NB. We offer heating oil, diesel and gasoline when you need them, where you need them.

A team on your side

- **Customer focus –**
Our commitment to you is a part of who we are as a company. Since 1924, customer focus has been one of our guiding principles.
- **People you trust –**
Our responsive local team understands the market, provides technical support and is dedicated to serving you.
- **Customer support –**
We have a Customer Support Team available to take care of your needs, answer questions or quickly fix any issues.
