

# Ultra Low Sulfur Diesel

Keeping your customers' engines running smooth, no matter the season

## Products you can trust

- **Exceeding the standard** – With changing regulations you can rest assured our diesel meets or exceeds all legislated standards. Our job is keeping your customers moving.
- **The right composition** – Our diesel is seasonally adjusted to keep vehicles on-the-go year round.
- **Quality controls** – Our product undergoes rigorous quality checks along the way to ensure it is on spec and meets all regulations before you load.

## Operational excellence

- **Reliable supply** – In addition to ultra low sulfur diesel, we can provide you with a reliable supply of other products from our state-of-the-art refinery

in nearby Saint John, NB. We offer gasoline, heating oil and kerosene when you need them, where you need them.

## A team on your side

- **Customer focus** – Our commitment to you is a part of who we are as a company. Since 1924, customer focus has been one of our guiding principles.
- **People you trust** – Our responsive local team understands the market, provides technical support and is dedicated to serving you.
- **Customer support** – We have a Customer Support Team available to take care of your needs, answer questions or quickly fix any issues.
